

VANTA BIOSCIENCE LIMITED

ARCHIVAL POLICY

TITLE

This Policy shall be called 'Archival Policy'.

COMMENCEMENT

The archiving policy shall come into force from the date of listing of the equity shares of the Company on the BSE Limited

PREFACE

In the present digital world, companies create and store electronic documents and information on their websites. The website is a single domain that consists of different web pages within the domain or sub-domains that convey information about the business carried out by the company.

The Website provides reliable information to describe the business and the information hosted on the Website. The Website is updated on a regular basis depending on the requirements of the various departments of the Company. Although web pages are frequently updated, the Company also archives certain types of documents and information to serve as a historical record for the Company.

Content archiving is the process of collecting portions of the Website and ensuring that the collection is preserved in an archive and maintain records required for statutory purposes.

Archived data consists of older data that is still important to the organization and may be needed for future reference, as well as documents/information that must be retained for regulatory compliance.
